Erläuterung zu den Wahlergebnissen:

Wenn der Bundeswahlleiter ein Ergebnis mit 4.97% ausgewiesen hat, wird auf das Aufrunden verzichtet, obwohl in den Wahlkreisen die 5%-Hürde keine Rolle spielt. Diese Ergebnisse werden mit 4.9% ausgewiesen.

Zur Systematik der Parteiensortierung

Auch wenn es nach über fünfundzwanzig Jahren nach dem Beitritt der DDR zum Geltungsbereich des Grundgesetzes nicht populär ist, dies festzustellen, haben wir es nach wie vor mit zwei Wahlgebieten zu tun in Deutschland: Einem Wahlgebiet West und einem Wahlgebiet Ost, in denen sich die Wahlergebnisse signifikant unterscheiden.

Aus diesem Grund unterscheidet sich auch die Reihenfolge der Parteien bei den Ergebnissen in den Wahlkreisen West und Ost. Entgegen der Systematik der Darstellung beim Bundeswahlleiter wird die Reihenfolge der Parteien nicht nach Stärke im Bundesland, sondern nach der Stärke in den Wahlgebieten West und Ost sortiert. Das hat zur Folge, daß die Linke in den neuen Ländern weiter vorne steht als in den alten Ländern.

Bundestagswahl 2021 und 2025

Sowohl zu den Bundestagswahlen 2021 als auch 2025 wurde der Wahlkreiszuschnitt einiger Wahlkreise verändert. Bei diesen Wahlkreisen wird in diesem Dokument sowohl das Ergebnis von 2017 nach neuem Zuschnitt, also jenem des Jahres 2021 als 2017a, als auch nach dem alten Zuschnitt von 2017 als 2017b dargestellt. In den geänderten Wahlkreisen werden jeweils beide Ergebnisse aufgeführt, auch wenn der Unterschied zwischen ihnen klein ist. Entsprechend werden die Ergebnisse der Wahlkreise nach dem Zuschnitt von 2021 bei den betroffenen Wahlkreisen als 2021b und nach dem aktuellen Zuschnitt als 2021a gekennzeichnet. Zur Bundestagswahl 2025 wurde im Bundesland Sachsen-Anhalt ein Wahlkreis gestrichen, während in Bayern ein Wahlkreis hinzukam.

Aufgrund zahlreicher Wahlfehler während der Bundestagswahl 2021 in Berlin wurde die Wiederholung der Wahl in 455 Wahlbezirken angeordnet. Diese Wiederholungswahl fand am 11. Februar 2024 statt. Die Ergebnisse werden unter dem Jahr 2024 entsprechend dokumentiert. Betroffen sind die Ergebnisse aller Wahlkreise Berlin sowie das Landesergebnis, das Bundesergebnis und die Sitzverteilung im Bundestag.

Bundestagswahl 2017

Die Entscheidung, für die Bundestagswahl 2017 ein neues Dokument anzufertigen, liegt darin begründet, daß durch die zahlreichen Verschiebungen von Wahlkreisen zwischen den Bundesländern vor den letzten Wahlen viele Bundesländer die Zeitreihe bis 1998 nicht mehr hatten und damit die Vergleichbarkeit der Wahlergebnisse nur noch sehr begrenzt gegeben war. Die Ergebnisse der Bundestagswahlen 1998 bis 2013 sind nunmehr also als eigenes, abgeschlossenes Dokument auf wahlergebnisse.info herunterzuladen, während mit der Bundestagswahl ab 2013 sozusagen eine neue Zeitrechnung beginnt. Durch diese Entscheidung ist auch der immer länger werdende Anhang entfallen, dessen Wachstum im Dokument 1998 bis 2013 sein Ende gefunden hat.

Etwas Anpassungen der Wahlkreise zwischen den Bundestagswahlen 2013 und 2017 sind abermals berücksichtigt worden. Sie finden ihren Grund in den Veränderungen der Bevölkerungszahlen, die bei der Ermittlung der Zahl der Wahlkreise pro Bundesland berücksichtigt wird. Ausgehend von der Bundestagswahl 2017 startet dieses neue Dokument mit dem Zuschnitt der Bundestagswahlkreise von 2017. Gegenüber der Bundestagswahl 2013 haben sich einige Wahlkreise verändert. Thüringen hat einen Wahlkreis an Bayern verloren. Hier werden die umgerechneten Ergebnisse von 2013 dokumentiert, so daß der unmittelbare Vergleich der Bundestagswahl 2017 mit 2013 möglich ist.

Verändert hat sich auch die Liste der aufgeführten Parteien in einem Detail: Die Republikaner (REP) sind wegen politischer Bedeutungslosigkeit nicht mehr aufgeführt. Frühere Wahlergebnisse dieser Partei sind in den vorangegangenen Ergebnislisten nach wie vor nachlesbar.

Systematik der Bundestagswahl

Entscheidend für das Ergebnis und die Sitzverteilung sind die Zweitstimmen. Anhand der Zweitstimmen wird die Sitzverteilung der Parteien ermittelt. Die Erststimmen haben hierauf keinen eigenständigen Einfluß, denn bei der Auszählung der Sitze werden die gewonnenen Direktmandate zunächst mit den Zweitstimmen verrechnet. Seit der letzten Wahlrechtsreform können auch in einem Bundesland gewonnene Überhangmandate das Zweitstimmenergebnis nicht mehr verzerren, weil im Fall von Überhangmandaten entsprechende Ausgleichsmandate zugeteilt werden, die das Zweitstimmenergebnis wiederherstellen. Im Ergebnis führte diese Regelung zu einer Vergrößerung des Bundestages.

Die Bezeichnung »Erststimme« mag zwar den Eindruck einer größeren Wichtigkeit erwecken, tatsächlich spielt für die Verteilung der Sitze ausschließlich die Zweitstimme eine Rolle. Der Versuch der »Ampel-Koalition«, die Benennung der Stimmen mit neutralen Bezeichnungen zu versehen, scheiterte am Widerstand der Unionsparteien.

Nach der erneuten Wahlrechtsreform der »Ampel-Koalition« wird der Bundestag künftig eine Regelgröße von 630 Mandaten haben. Dies wird erreicht, indem überhängende Direktmandate nicht mehr zugeteilt werden und somit die Notwendigkeit von Ausgleichsmandaten entfällt. Hierzu werden die Mandate der überhängenden Partei in der Reihenfolge der prozentualen Anteile sortiert und jene mit den niedrigsten Anteilen nicht zugeteilt, bis die Zahl der Direktmandate dem Anteil der Zweitstimmen in dem jeweiligen Bundesland entspricht. Auf den Wahlakt wirkt sich die Regelung ebensowenig aus wie auf die Arbeit der Wahlhelfer. Sie entfaltet ihre Wirkung erst im Rahmen der Zuteilung der Mandate.

Wird ein Mandat nicht zugeteilt, erscheint der Name hinter »Gewählt:« in grauer Schrift. Dies bedeutet, daß der Direktkandidat zwar die meisten Stimmen im Wahlkreis errungen hat, ihm aber mangels Zweitstimmendeckung das Mandat nicht zugeteilt wird.

Verteilung der Wahlkreise auf die Bundesländer bei der Bundestagswahl 2025:

| | | |
|------------------------|-------------|---------------|
| Schleswig-Holstein | 001 bis 011 | 11 Wahlkreise |
| Mecklenburg-Vorpommern | 012 bis 017 | 06 Wahlkreise |
| Hamburg | 018 bis 023 | 06 Wahlkreise |
| Niedersachsen | 024 bis 053 | 30 Wahlkreise |
| Bremen | 054 bis 055 | 02 Wahlkreise |
| Brandenburg | 056 bis 065 | 10 Wahlkreise |
| Sachsen-Anhalt | 066 bis 073 | 08 Wahlkreise |
| Berlin | 074 bis 085 | 12 Wahlkreise |
| Nordrhein-Westfalen | 086 bis 149 | 64 Wahlkreise |
| Sachsen | 150 bis 165 | 16 Wahlkreise |
| Hessen | 166 bis 187 | 22 Wahlkreise |
| Thüringen | 188 bis 195 | 08 Wahlkreise |
| Rheinland-Pfalz | 196 bis 210 | 15 Wahlkreise |
| Bayern | 211 bis 257 | 47 Wahlkreise |
| Baden-Württemberg | 258 bis 295 | 38 Wahlkreise |
| Saarland | 296 bis 299 | 04 Wahlkreise |
